

CENTRAL GRAMPIANS DRIVE

Suitable for people with tight deadlines, this half day drive highlights many of the National Park's most popular attractions.

From Halls Gap, follow Mt Victory Road past The Elephants Hide. Turn right at Mt Difficult Road and continue to Boroka lookout. A short walk from the car park (suitable for people with limited mobility), provides spectacular views across Halls Gap and the Wonderland Range. Return to Mt Victory Road and continue to Reed lookout.

Enjoy awe inspiring views over the Victoria Valley.

An easy 30-45 minute return stroll takes you through Stringybark forest and rocky outcrops to the famous Balconies rock formation. Return to Mt Victory Road, turn left and continue to MacKenzie Falls (see front cover).

Choose either a steep walk to the base of the falls or a flat ridge-top trail that overlooks the falls. To finish the drive, return again to Mt Victory Road; turn right and travel down the valley to Zumsteins Picnic Area.

Enjoy a short historic walk or a quiet picnic near the river.
